**TRUE STORIES OF  
LIVING LIGHTLY ON THE EARTH**

A photograph of a tropical river scene. In the foreground, a simple wooden bridge made of logs spans across the water. Two people are standing on the bridge, one on the left and one on the right, looking towards the river. In the middle ground, a long wooden boat is on the water, with several people inside. The background is a dense tropical forest with many palm trees. The water is calm and reflects the surrounding greenery and the sky. The overall atmosphere is peaceful and natural.
