Please note that this is an imported item from the USA. If the unit is powered, it will come with a US plug and an adapter/converter may be required. Providing the item lists as 110-240v compatible (most are), universal adapters can be purchased for less than R35 at any local hardware store. If it lists as only 110v compatible, you would need a voltage converter which can be purchased from eBuyer for roughly R150.00. Please check the description/manufacturers website for the required voltages.

Please also note that certain items cannot be imported, these include Alcohol, Animals, Flammable Materials, Currency, Food, Furs, Chemicals, Explosives, Medications, Supplements, Pressurized Cans, Tactical Equipment, Vitamins, Weaponry and Weaponry Accessories. In these cases, the item and information is displayed for reference purposes only, and if an order is placed it would need to be cancelled. If you are not sure if we are permitted to bring an item, please send us an e-mail with a link to the item to confirm.

"Global criteria ... 4th ed. is meant to improve the initial and ongoing professional development of substance abuse counselors ... It is [the author's] hope that Global criteria ... 3rd ed. will increase the entry-level competence of counselors seeking certification as alcohol and drug abuse counselors. This book not only discusses the core functions of the substance abuse counselor, but also provides the latest information on the global criteria used by the IC&RC to evaluate applicants for certification as alcohol and drug abuse counselors by IC&RC member boards around the world. This book can be used by professors and instructors in counselor training programs and by supervisors in treatment programs to prepare trainees for a professional career as an alcohol and drug abuse counselor"--Introd.
