

From Critical Thinking to Argument, Sylvan Barnet, Hugo Bedau, Bedford/St. Martin's, 2013, 1457649950, 9781457649950, 416 pages. From Critical Thinking to Argument is a very brief but thorough guide to critical thinking and argument. With only fifteen readings, this affordable guide can stand alone or complement an anthology. Comprising a condensed version of the text portion of the widely adopted Current Issues and Enduring Questions, it draws on the authors' dual expertise in effective persuasive writing and comprehensive rhetorical strategies to help students move from critical thinking to argumentative and researched writing. This versatile text features treatment of classic and modern approaches including Aristotelian, Toulmin, and Rogerian argument, as well as a new chapter on analyzing pop culture texts. Like other volumes in the Bedford/St. Martin's popular series of Portable Anthologies and Portable Guides, From Critical Thinking to Argument offers the series' trademark combination of high quality and great value for teachers of writing and their cost-conscious students..
